

CITY OF WILLOUGHBY HILLS
BOCCI COURT MEETING
MAY 13, 2014

Present: Mayor Robert Weger, Alessio DiFranco, Mr. Excavator Representative

Mr. Excavator represented a price of \$50,000 for one court. This would include drainage, fabric and complete construction. Mr. Excavator had been the vendor who did the courts at Wickliffe Civic Center. The second court or any thereafter would be \$25,000.

We spoke about the Recreation Commission's plan to define all of Roemisch so as to not place a bocci court where other recreation activity may be. We agree with Recreation's plan to have Terry Baller complete his assessment before proceeding with bocci courts.
